**Horsham, PA, August 29, 2016** -- Inc. magazine today ranked Swain Techs number 1207 on its 35th annual Inc. 5000, the most prestigious ranking of the nation's fastest-growing private companies. The list represents a unique look at the most successful companies within the American economy's most dynamic segment—its independent small businesses. Companies such as Microsoft, Dell, Domino's Pizza, Pandora, Timberland, LinkedIn, Yelp, Zillow, and many other well-known names gained their first national exposure as honorees of the Inc. 5000.

"It is through the dedication and passion of our team that has made this possible," says Manuel Trujillo, President. "We approach every task that we do with the same philosophy - that we will deliver unparalleled services with all the latest technology, that will enable our clients to focus on their core business. With this vision, we have been able to maintain a steady growth in revenue and a cultivate a solid core to the business."

The 2016 Inc. 5000, unveiled online at Inc.com and with the top 500 companies featured in the September issue of Inc. (available on newsstands August 23) is the most competitive crop in the list's history. The average company on the list achieved a mind-boggling three-year growth of 433%. The Inc. 5000's aggregate revenue is \$200 billion, and the companies on the list collectively generated 640,000 jobs over the past three years, or about 8% of all jobs created in the entire economy during that period. Complete results of the Inc. 5000, including company profiles and an interactive database that can be sorted by industry, region, and other criteria, can be found at [www.inc.com/inc5000](http://www.inc.com/inc5000).

"The Inc. 5000 list stands out where it really counts," says Inc. President and Editor-In-Chief Eric Schurenberg. "It honors real achievement by a founder or a team of them. No one makes the Inc. 5000 without building something great – usually from scratch. That's one of the hardest things to do in business, as every company founder knows. But without it, free enterprise fails."

The annual Inc. 5000 event honoring all the companies on the list will be held from October 18 through 20, in San Antonio, TX. Speakers include some of the greatest entrepreneurs of this and past generations, such as best-selling author and strategist Tony Robbins, SoulCycle co-founders Elizabeth Cutler and Julie Rice, Cornerstone OnDemand founder, president and CEO Adam Miller, Marvell Technology Group director and co-founder Weili Dai, and New Belgium Brewing co-founder and executive chair Kim Jordan.
