

FOR IMMEDIATE RELEASE

April 9, 2014

Swain Techs was recently awarded a contract to support the U.S. Patent and Trademark Office (USPTO) to provide testing activities for the deployment of quality products into their operational environment. This Blanket Purchase Agreement (BPA) is valued at \$10 Million with a one-year base period and four option years. Under this contract, Swain Techs will perform a variety of testing activities for the Office of Infrastructure, Engineering and Operations, Release Control Branch. Swain Techs will conduct testing for custom and commercial off-the-shelf (COTS) applications, service-oriented-architectures (SOA), infrastructure components and upgrades, and other technologies. Project scope will encompass complete end-to-end testing, regression, and interface testing for new project enhancements and operations and maintenance functions. Swain Techs is ready to support these efforts and provide guidance and expertise to enhance USPTO’s testing program.

About Swain Techs

Swain Techs is an award-winning, 8(a) small business, dedicated to providing strategic technology solutions to our clients. While we have been in business for over a decade, Swain Techs received 8(a) certification as a minority business with the Federal Government in August, 2011. Even though 8(a) companies, like Swain Techs, can receive sole-source contracts up to \$4.0M for services, Swain Techs’ low overhead, flexibility, client service orientation and streamlined management gives it a decided advantage in competitive situations. Swain Techs is ISO 9001 certified and has earned the MSDC certification sponsored by Fortune 500 companies. Swain Techs was named the 2011 Hispanic Business of the Year award in Philadelphia, finalist at the SmartCEO Voltage 2013 in Philadelphia, and ranked 46 out of the 100 fastest growing companies in Philadelphia in 2013.

Swain Techs’ vision is to build a trusted relationship with our clients. We are committed to the success of their organizations. Our mission is to be a quality-driven, professional services company that specializes in consistently delivering unparalleled, flexible, personalized services, and innovative support that enables our clients to focus on their core business.
