Swain Techs Opens Baltimore Location

Horsham, PA — Swain Techs is very excited to announce its new office location within 7.5 miles of Centers for Medicare and Medicaid (CMS) at 5520 Research Park Drive, Baltimore, MD 21228.

This location will allow us to effectively support CMS and other key targeted agencies in the area; while further growing our presence in the Baltimore area in support of our SPARC IDIQ 8a and SB Prime awards. This location will also better facilitate further growth within CMS and the healthcare sector as a whole, as our most important strategic agency and/or target.

Our new location and relationship more specifically with University of Maryland Baltimore County (UMBC) and the North Technology Campus allows us to collaborate with top notch healthcare and cyber security firms and individuals to continue to leverage our key core competencies; emerging small businesses (mentor-protégé relationships); industry thought leaders; key strategic partners who have a presence on campus like Northrup Grumman; outstanding student IT talent pool with internship programs who is focused on healthcare, healthcare IT and cyber security; access to healthcare IT, Big Data, health analytics, and cyber security faculty expertise; and state of the art facilities and technical labs doing bio-medical research, etc.
