Swain Techs Moves Up to #21 on Philadelphia 100 List

Horsham, PA — Swain Techs is pleased to announce that it has been named number 21 on the Philadelphia 100 List, marking the third time the company has been named to the list. In 2013, Swain Techs had been ranked 46. The Philadelphia 100 List is a merit-based program and includes the top 100 fastest growing private companies in the greater Philadelphia area.

The Philadelphia 100 List was created in 1988 and is currently run by Wharton Small Business Development Center, The Entrepreneurs' Forum of Greater Philadelphia and the Philadelphia Business Journal. Past winners include Urban Outfitters, Forman Mills, and Kremer Laser Eye Center.

Companies are chosen to be on the list by being nominated to the committee that runs the list, and the companies are then ranked according to their percentage increase in sales for the previous three years. Over the previous three years, Swain Techs has increased their sales 305.05%.

According to Trujillo, it is thanks to the trust of their clients, employees and business partners that is the driving force behind their continued success.

The Gala Awards Ceremony, which was marked the 26th anniversary celebration, for the 2014 honorees was held on Thursday, October 16, 2014.
