Swain Techs awarded \$3.9M United States Department of Health and Human Services (HHS) Contract

Ardmore, PA — Swain Techs is pleased to announce that it has signed a \$3.9M contract with the United States Department of Health and Human Services (HHS).

This contract covers the Operations and Maintenance (O&M) support for the HHS DCIS Program, Cloud Computing Hosting Services and Technical Assistance in improving the data collection, dissemination processes and methods in fulfilling Federal Acquisition Regulation (FAR) reporting requirements.

About Swain Techs

Swain Techs is an award winning 8(a) small business with over a decade of experience providing strategic technology solutions. Swain Techs received the 8(a) certification as a minority business with the Federal Government in August, 2011. While 8(a) companies like Swain Techs can receive sole source contracts up to \$4.0M for services, Swain Techs' low overhead, flexibility, client service orientation and streamlined management gives it a decided advantage in competitive situations. Swain Techs recently won a Navy multi-million dollar contract and earned the MSDC certification sponsored by the Fortune 500 companies and was named the 2011 Hispanic Business of the Year award in Philadelphia, PA.

Swain Techs' vision is to be trusted by your team, committed to the success of your organization and our people, in order to be your preferred partner.

Our Mission is to be quality-driven, professional services company that specializes in consistently delivering unparalleled, flexible, and personalized services and innovative support enabling our clients to focus on their core business.

Swain Techs' values are:

- **Client Focus:** Helping our clients reach their goals is our passion
- **Our Employees:** The most important asset we have
- **Integrity:** Is non-negotiable. We want our children, families and friends to be proud of what we do and how we do it
- **Innovation:** Aspiring to contribute to a better future
- **Fiscally Responsible:** To help serve our clients, employees, stockholders and reach a profitable growth
- **Socially Responsible:** Share with our community
- **Work life balance:** Life is valuable and requires balance
