Swain Techs Wins Navy Portfolio Modernization Study

Horsham, PA –Using a rapid, six-month timeframe, Swain Techs is conducting a comprehensive portfolio study for the Department of the Navy, U.S. Naval Supply Systems Command (NAVSUP) Business Systems Center (BSC).

To determine the feasibility and complexity associated with streamlining and modernizing the NAVICP System Support Program (NSSP) suite, Swain Techs is examining and documenting all 11 applications and the database, including users, interconnections and documentation associated with NSSP. Using the Project Management Body of Knowledge (PMBOK® Guide) - Sixth Edition as a standard, we are developing alternative courses of action to serve as a catalyst for eventual portfolio reduction and retirement.

About Swain Techs Swain Techs is an award winning 8(a) certified small business with over a decade of exceptional performance. They are CMMi ML3 Software & Services and ISO 9001 certified. Their headquarters are in Horsham, PA, with a satellite office in Washington, DC. Swain Techs has prime contracts in the last 3 years at DHS, HHS, CMS, the Navy, USPTO and DLA.
